5. List eight adjectives that describe your childhood:

For Facility Planning ~

**NOTE:** The course fee includes a shared (double occupancy) suite with another course participant. In Florida, it is a two-bedroom, two-bathroom suite. If you register late and we have an uneven number of participants, we are unable to guarantee a roommate, so in that instance you would pay an extra supplement.

If you wish to reserve a single room, it is \$575.00 extra.

If you know that you snore, are sensitive to sharing space, or get easily triggered, we suggest that you just go ahead and get yourself a single room. It is a week filled with a lot of processing. Do what works best for you!

Check here if you want a single \_\_\_\_ Yes, I want a single room.

a. Female \_\_\_\_\_ Male \_\_\_\_\_

b. Do you have any necessary \*\*dietary needs? Especially, allergies, etc.

c. Do you have any special needs for a physical challenge? If yes, please explain.

**Additional Note:** All sessions *must be* attended during the training to receive your certification. This includes the Opening and Closing Circles. Therefore, please schedule the flights accordingly. If in doubt, email or call before booking!

**Thank you!**

This application form is meant to give Sandra some background on each participant. **Please also email a recent photo of yourself.** If you have any questions about completing this form, please contact Sandra at (713) 201-2020. We look forward to a wonderful program together.

**CANCELLATION POLICY:** **Any cancellation request must be in writing.** If you cancel more than six weeks before the training begins, all but \$500 will be refunded. If you cancel between weeks three and six, your deposit is *not* refundable. No refunds are possible after that unless someone is available to take your place in the program. If someone is available, all will be refunded except for the deposit and a processing fee of \$299.

\*\* We will do our very best to accommodate special dietary requests. If it is an allergy, we will ensure food is labeled. If it is a preference versus an allergy, please plan accordingly to supplement as necessary. Our meals are selected in consideration of all the participants and staff. It is our goal to serve healthy and nourishing food.
